State Representative Steve Kestell Statement

“At the close of the 2013-2014 legislative session and following discussions with my family, I have decided to not seek re-election to the State Assembly in 2014.

“I am extremely grateful to have had the honor of serving the citizens of this great state, and I will be forever thankful to the voters of the 27th Assembly District for their support over the years. I want to thank my family for their continuous encouragement, and my wonderful wife LuAnne for being my rock and best cheerleader. Throughout my time in office, I’ve been fortunate to have worked with wonderful staff who have dedicated themselves to serving the people of the 27th Assembly District, and for that I am extremely grateful.

“During my years in the state legislature, I’ve worked every day to uphold the belief that elected officials should strive to do the right thing, for the right reason, and in the right way.

“I am proud of what we’ve accomplished together, and I look forward to new challenges as the future unfolds.”
